

TRIO BACK IN TIME?

AFTER their recent exertions against Bracknell Town in the Berks and Bucks Senior Cup semi-final, Wycombe Wanderers return to Isthmian League duty again tomorrow (Saturday) when they entertain lowly Clapton at Loakes Park.

The main worry to Wanderers is whether their international representatives Larry Pritchard, John Delaney and Derek Gamblin will have returned from the match against Scotland in Glasgow, in time for the game.

They are due to arrive back in London at 10 a.m. but if the rail dispute is still on, they could well be delayed.

Injury wise, there are two doubts, goalkeeper John Maskell and Tony Horseman. Maskell is still troubled by an injured thumb while Horseman has an ankle injury, although he came on as substitute on Tuesday night at Chesham. Paul Birdseye, injured in that game, should be fit to play.

Since the turn of the year, Clapton have been enjoying a certain amount of success in the League. But their unbeaten run was ended last week by Hitchin, who ran out 2-0 winners at Clapton's Spotted Dog ground.

Third from the foot of the table, Clapton have had to struggle for every point all season. Last term Wycombe beat them 8-0 at home and 7-0 away.
